Risk Solutions International and the COOP Planning team are looking forward to seeing you at the upcoming webinar.

Join your colleagues for this personalized webinar to help you in keeping the COOP planning process on track for the Regional Flood Control District and your department. If you have ANY questions, please send them to us in the webinar registration form.

This webinar session will recap the NevadaContinuity.com system's features and capabilities in addition to the following goals:

- Review and answer attendees' questions about Continuity of Operations Planning
- Instruction on how to publish/print your individual COOP Plan
- How to leverage system reports
