Learn more about COOP

Risk Solutions International (RSI) is working with HOUSING & HOMELESS SERVICES and NEVADA CARES CAMPUS this year and will be hosting a COOP in-person workshop. We look forward to meeting you!

Our team at RSI, along with the 2022 project partners, will be introducing you to this year's Continuity of Operations Planning (COOP) Project we have planned for HOUSING & HOMELESS SERVICES and NEVADA CARES CAMPUS. At this workshop, we will be reviewing how our team will provide assistance to your organizations as we embark on developing COOP plans to keep your community services running smoothly in case of an interruption in daily operations.

WORKSHOP TOPICS:

- Understanding the objectives of COOP Planning for your department
Developing a COOP plan for your department in 2022
Learning to use the COOP Planning Tool – NevadaContinuity.com

Who Should Attend

Employees and key department partners who are responsible for continuity of operations planning.
